

## Barry Bolln Annual Hands Across the Island Invitational and Potluck

### Na Hoa Holomoku Yacht Club

Casual sailing and racing fun begin at 10AM this Saturday October 4th on the Bay Front Beach toward the River Entrance. If you attended last year's get together with sailors from the Kona Sailing Club you'll remember how much fun we had. If you didn't get to the last one then come prepared to have an exciting experience on the water with our sailing friends from Kona.

If you have a small boat that you can share rides in or allow others to sail please bring it to the beach. We'll help you rig. If you don't have a boat you are welcome to come down and sail whatever the club has on the beach.

Our monthly potluck is scheduled for 4PM after a wonderful day of sailing. Bring enough to share with your friends.
