## Club Potluck, Sail Day, Workday

This month's **potluck** will be on Wednesday May 9th at Wailoa State Park Pavilion number 3 beginning at 6:30PM. Come join the fun!

**Sail day** will be Sunday May 13th beginning 11AM at the Bayfront beach.

Bring your own PFDs (lifejackets). Jon Olson will be doing Sailing 101 for newcomers.

You are invited to participate in the club **workday** on Saturday the 26th at 10AM.

The purpose of the

**workday** is to keep our new club site clean and to make improvements to the launch area and storage boxes. Everybody is encouraged to participate in the **workday** at Kuhio Kalaniana'ole Park.

## Work Day Thanks - John Luchau

The April 28th workday at our club site brought out the following hard working volunteers: Jay, John, Commodore Ron, Dave Partlow, Janine, Dick, Scott,

Leslie, Ronald Quade, Sarah Kay, Marshall and daughters, Ray, Jon Olson, Jon Archambeau, Neils, Brent, Leilani, Ivo and sons, Joel, Lynn, Karen and for

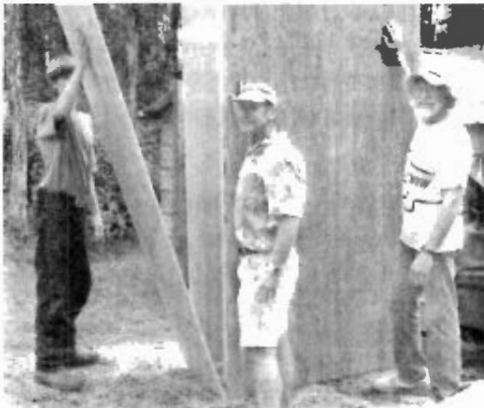

just a little while Levi and Jordan. **Thank you!**

Paul Patnode, thanks for providing moral support at the end of the day.

## Club Site at Kuhio Kalaniana'ole Park

Come down to the site and use it. There are now two boat racks with three Walker Bay 10s and associated gear. Plus five Hobie Ones.

Next regularly scheduled club site workday is the 4th Saturday of each month beginning at 10AM.

The storage area is always in need of grass trimming and rock tossing (to the side of the lot please).

Dave Partlow and Paul Hirst find the "Whippy's" lost mooring against nearly unbeatable odds. Luckily, John L and Ron had photos from shore of her sitting at her original mooring spot and with Ron, Dave and Paul's help were able to triangulate where it should be. "Whippy" is back on her mooring and ready for sailing.

# Hobie 16 "Getaway" skippers - Paul Hirst

## Sailing day procedure

Philip will verify that the prospective skipper is on the list. The skipper must hand over the boat back to Philip at the end of the trip, so that Philip can verify that the next skipper is qualified - the skipper has no authority to pass along control of the boat to another person.

## Procedure for using the boat at other times

At least one day's notice is required. Philip is willing to tow the boat for pickup in front of the Subaru Telescope base facility, mauka of UHH campus. Prospective skipper will need a hitch with a 2-inch ball, and a standard 4-pin lighting connector.

## Qualifications

1. To be admitted to this list, a prospective skipper must:  
Demonstrate competence in recovering from a capsize.
2. Take responsibility for any damage to the boat caused by the skipper's error.
3. Additional qualifications for taking the boat out other than on a Sailing day. Demonstrate competence in:  
rigging the boat, with particular attention to safety of helpers and bystanders. In particular, the mast is quite unwieldy, and requires 2 tall, fit people to hold it up while a third competent helper secures the forestay.
4. loading and unloading the boat from the trailer, have a vehicle suitable for launching that is properly equipped for towing, and demonstrate competence in checking the boat and trailer are in safe condition for towing.

The following people are checked out to skipper the "Getaway" at the times shown

# Na Hoa Holomoku of Hawaii Yacht Club T-Shirts and Polo Shirts - Leslie Scott

Help support your club.

The T-shirts are in along with our very classy Polo shirts that are embroidered with our stylish burgee.

The T-shirts are Hanes tagless 100% cotton and have been preshrunk. T-shirts come in New Carolina Blue, Light Steel and Pink. The Jersey Polo 50/50 comes in a men's cut and a women's cut offered in a nice shade of light blue. Our burgee is embroidered on the left pocket. Very hip for any yacht club affair or office environment. This is the only fundraiser that we have going for our club, so please support your club by buying one or even two.

That way we can do more fun things out on the water this summer. There are a few ways you can get these T-shirts in your hot little hands. They will be offered at all work days and potlucks by Leslie Scott or you can write to: Na Hoa Holomoku Yacht Club, PO Box 1661, Keaau, HI 96749 c/o Leslie Scott

The T-shirts are \$15. Please include the color and size you would like and an e-mail or phone number. The polo's are \$25. Please indicate men's or women's style and size. Include \$10 for shipping and handling for all orders mailed out.

What we are raising the money for:

Boat parts and materials for workdays and workday food and beverages.

Potluck supplies like paper plates, forks, spoons, napkins, table covers, etc..

Moorings for "Cheers," "Whippy," and "Windsong."

Our new fleet of Hobie Ones. Newsletter and office supplies.

Our club fashion consultant, Leslie above and a men's polo at top right.

## On Volunteers - John Luchau

Katy Weaver, a volunteer, wrote a great article last month for the April issue. Hope you read it. Our organization is built on volunteer labor and donations. Many of the same people are pictured or mentioned over and over again each time we thank our volunteers. They are the people who are keeping our organization alive and thriving. They cannot be thanked enough.

The photos in this issue do not represent all of the hardworking folks who have kept plugging away keeping

the boats on the water and building the infrastructure necessary to keep us going. We hope to get your photo in the next few issues.

Initially our club was based on providing a means to provide assistance to all watermen (that includes women) on the island. We have expanded into being an organization that provides instruction in sailing to keep all those who venture on the water safe. With that goal in mind we have acquired many boats and an area in which to store them and to

provide instruction. All of this infrastructure requires maintenance, repair and expansion. To continue to meet our goals without having to raise our fees we need all of our members to commit time and effort.

We want to keep our membership dues low to make the club available to all. If you haven't already committed time, effort and donations then please consider doing so now.

## Thank you for the Wharram 23 "Wei Ji" -

John Luchau

Clubmember, Sienna Stone has just recently donated her Wharram 23, "Wei Ji" for use by qualified clubmembers. **Thank you Sienna!**

"Wei Ji" is an exceptionally

sturdy catamaran and I have had the pleasure of taking her out three times in the last month. She sails well and has a lot of features and characteristics you just don't find on monohulls. Come check her

out. Get qualified for this larger cat.

**Congratulations** to Brent and Leilani who have just completed their quals on "Wei Ji."

## Written Exams Required - John Luchau

In an effort to provide consistent training to all our clubmembers there will be a written exam administered for each of the four Study Guide Volumes for sail training in order to qualify for more than basic training "Sailing 101."

Volume One (Nomenclature) has been distributed to 20 members and the test will be administered after the potluck on Wednesday the 9th. More Volume One Study Guides will be available at the potluck. The remaining three study guides

are in the developmental stage.

The three levels of qualification for our club's training purposes will be up to Catamaran/Sloop Inshore at night sailing.
